Heagney Announces Tariffville Green Grant

Simsbury Legislator Obtains Park Improvement Funds

SIMSBURY – State Representative Rob Heagney (R-Simsbury) today announced that he has successfully obtained a \$5,000 grant from the State of Connecticut for improvements at Tariffville Green.

The grant will be processed through the Office of Policy and Management to the Town of Simsbury. Funding is to include electrical and water improvements, and a gazebo for the location. Representative Heagney was encouraged to seek the grant by First Selectman Tom Vincent, and Selectman John Romano.

“This is a great opportunity to assist in a significant public improvement project,” noted Rep. Heagney. “The Tariffville Village Association has done some impressive work in improving the Tariffville Green, and these added funds will assist that effort. We want to make the most out of available local funds toward the end of creating an area that all residents can enjoy.”

Representative Heagney is currently serving his fourth term in the Connecticut General Assembly, representing the 16th district, which is composed of the Town of Simsbury.
